

Experience BMW. Important Information for your Visit.

For your visit to the BMW Group Plant Leipzig, please note the following.

Maximum size of a group: 25 persons.

The tour is planned according to the number of persons you have registered. Please inform our service centre in case the number of participants has changed.

Tours for single visitors take place in mixed groups of up to 25 persons.

Minimum Age 6 Years/14 Years.

The required minimum age to participate in a guided tour is 6 years (accompanied by an adult supervisor), for guided electric vehicle production tour 14 years.

Start of the Plant Tour.

Please register yourself at the welcome desk 15 minutes prior to the tour. Contribution towards expenses has to be paid in advance (cash or card).

No Animals.

Visitors are not allowed to take along animals or pets of any kind.

Duration and Distance.

As a rule, plant tours last for about 2.5 hours. The route leads through the production facilities and passes through the central building several times, involving the climbing of stairs. The distance to be covered is about four kilometres. We recommend comfortable shoes.

Parking.

There is on-site parking for busses and cars in the front of the Central Building (Guest Entrance).

Handicapped Persons.

Parts of the tour can only be reached via stairs. Please inform our service centre if members of your group are handicapped.

Persons with Pacemakers/Insulin Pumps.

Persons wearing a heart pacemaker or insulin pump are not allowed to enter the body shop. Please inform your tour guide before the tour starts if you are wearing such a device.

Filming and photographing.

Visitors are not allowed to take pictures or make films. Cameras and mobile phones may not be used and can be placed in lockers.

Safety.

Visitors enter the plant during the production period. You do this at your own risk. The introductions of the guide must be followed. Leaving the tour and the visitor path is prohibited.

Catering.

During the tour there is a refreshment break. Visitors are not allowed to bring along or consume other drinks or food.

No Smoking.

At the plant site, smoking is permitted only in designated areas. During the tour, smoking is not permitted.

Hint.

Please note that our plant tours may not be marketed from third parties for commercial purposes.
